```
var http = require("http")  
  
var server = http.createServer((function(request, response)  
{  
  response.writeHead(200,  
    {"Content-Type": "text/plain"});  
  response.end("My name is Anshul, I am from graphic Era  
    hill University :ln");  
})))  
  
server.listen(7000);  
  
console.log("listening to the server.....");
```
