Name - Bhupesh Upadhyay.

Roll - 2001044.

Course - MCA 3C.

Subject - Full stack development Practical.

Q2-

```
const http = require("http")
const server = http.createServer((req, res) => {
if (req.url == "/" )
res.end("you are at home page").
elseif (req.url = ="/contact").
res.end("you are at contacts").
else
res.writeHead(404)
res.end()
})
server.listen(4002, "127.0.0.1", () =>{
console.log("listning to the server"),
})
```

You are at home page
